Weekly Intercom April 8, 2016

1. **Much Appreciation-** To merely say thank you does not suffice. The entire faculty worked to ensure the ELA state exam was administered in the best possible manner given the circumstances. Teachers worked beyond their scheduled time without complaint. I am humbled by your professionalism and your kind heart. There were some others who worked all day...you know who you are and I am grateful. Thank you to Mr. Auriti for his scheduling skills and a special thank you to Mr. Goldberg for the tremendous job he did ensuring that all went well. Thank you!
2. **Math State Exam-** The State Math Exam will be administered next week from Wednesday 4/13 through Friday 4/15. The schedule for this exam will be in your mailbox by COB Monday. Please look it over carefully, inform your students of their testing room and address Mr. Auriti with any questions or concerns.
3. **ELA Teachers-** You've prepared your students well and worked tirelessly to help them achieve the goal of becoming proficient readers and writers. Your job is not done; it is a long, arduous, continuing journey. Thank you.
4. **Homework/Projects-** Please do not assign homework or projects during the week of April 11, 2016. The students will be gearing up for the State Math Exam and we need to support them and the math teachers during this time.
5. **Science Olympiad-** We are off to States!! Let's wish Dr. Cubbin and his team of scientists good luck this weekend as they compete at the State Olimpiad competition. Thank you to Mr. Lilly, Mr. Ouellette, Mr. Hofmann, Mrs. Herman and of course Mrs. Dalton for assisting and volunteering their time to make this trip to Syracuse for three days.
6. **Preference Sheets-** Preference Sheets will be distributed to all staff members on Monday April 28, 2016 and will be due back to N. Bunnicelli by Monday May 23, 2016.

Building Our Team

In our classrooms and school
One message is understood by all:
In working together,
Each individual will go farther,
