

The Bay Academy for the Arts & Sciences
Intermediate School 98

Maria Timo

Principal

Weekly Intercom April 15, 2016

1. **Many Thanks-** Thank you for administering the Math state exam to our students. Everyone helped to make a difficult situation easy. Once again it is difficult to convey my deep appreciation for the unending efforts of all the staff members who pitched in and went above and beyond my expectations. The Math exam was administered smoothly due to the herculean efforts of these people. You know who you are and so do I...thank you. Mr. Auriti you are becoming a master scheduler and Mr. Goldberg is testing coordinator extraordinaire.
2. **Math Teachers-** You've done an admirable job of preparing your students well and worked tirelessly to help them achieve the goal of becoming proficient problem solvers. Your job is not done; it is a long, arduous, continuing journey. Thank you.
3. **Science Olympiad-**The competition held in Syracuse this past weekend was an awesome experience for our students, parents and teachers. Our students placed 15th in the State and are the NYC Champs! Congratulations to Dr. Cubbin on this tremendous accomplishment...what happens in Vegas stays in Vegas Alice. Thank you to our volunteer teachers Mr. Ouellette, Mr. Hofmann, Mr. Lilly, Mrs. Herman, Mr. Mercedes and Mr. Veliz. Mrs. Dalton you have my thanks and appreciation for supporting this event!
4. **Preference Sheets-** Preference Sheets will be distributed to all staff members on Monday April 18, 2016 and will be due back to N. Bunnicelli by Monday May 23, 2016. Note the corrected date.
5. **ELA Grading-** Nine (9) teachers will be sent out beginning Monday April 18, 2016 for the grading of the ELA exam. This places a tremendous burden on our school. I am respectfully requesting you keep in mind the absence of so many staff members before you call in absent yourself. Your cooperation is greatly appreciated
6. **Bay Madness-** This fun event will take place on Tuesday 4/19 directly after school. Please come out to play or support your colleagues as they take on our students in a game of basketball. We have some tremendous talent so let's show the kids what we are made up of!
7. **Talent Show-** This exciting show will take place on Wednesday 4/20 at 6:30pm. This is a well-attended event where our students will showcase their talents. Please make every effort to attend.
8. **Student Update-** Please adjust your records accordingly:
Sarah Ruben from 767 to 722

**Teachers have a rare opportunity
to assist children in reaching
their highest potential**

DR. CUBBIN
